Fee Schedule

Prices are in Euros (VAT is excluded).

Request for .EU Domain Name Registration

Option A) Request for Registration during Sunrise 1 Period (*) based on a registered national or community trademark (250 Euro for the 1st year).

Option B) Request for Registration during Sunrise 2 Period (*) based on either:
A company name, trade name, business identifiers, unregistered trademarks (Anglo-Saxon Common Law), distinctive titles of protected literary and artistic work (300 Euro for the 1st year)
A family name (300 Euro for the first year).

Please note that all the rights claimed during the Sunrise 1 Period can be claimed during the Sunrise 2 Period.

Option C) Request for Registration after the Sunrise Period (**), without claiming any prior right (100 Euro for the 1st year).

Option D) Renewal for 1 year is 84 Euro (applicable to all of the above cases)

(*) The above mentioned fees include the electronic filing of your domain name, the fees charged by EURid and the Validation Agent, the checking and transfer of the file for verification in a 40 day period after the filing of the domain name and the notification of the acceptance or refusal of the .EU domain name.

Please note that Gemini Software LLC. will reimburse from 30 to 80 EURO (Depending on the prior right that you claimed) for all requests for registration based on a prior right that will not be examined by a EurID validation agent, in the event that the domain name will already have been attributed to another entity whose request was processed before yours.

(**) The above fees include the electronic filing of your domain name, fees charged by EurID and the notification of the acceptance of the .EU domain name.
